

LEARN TO SUMMARIZE EXPRESSIONS IN SPANISH

The communicative functions or speech acts, at this level of language learning progress, are one of the keys to understanding situations between native speakers and for a natural linguistic performance, both at the time of producing messages and understanding them. especially oral ones. If we listen, can you turn on the light?

We know that they are making a request to us and we do not need to listen, I ask you to turn on the light, that is what being natural is all about.

Match the communicative functions in the first column with the corresponding expressions in the column below:

Pedir disculpas

Agradecer

Admitir

Dar la razón

Pedir un favor

Sí, claro, es verdad.

¿Podrías prestarme tu libro?

Muchas gracias.

Perdona.

Sí, fui yo.
