

LET'S PRACTICE EXPRESSIONS OF FREQUENCY IN SPANISH

If there's one thing we talk about every day, it's what we do every day: our routines and the activities we do regularly. But sometimes we express the actions without specifying the time.

There are many and very diverse expressions of frequency in Spanish. Let's practice some. Order the sentences according to frequency.

1-Los lunes hago yoga en el gimnasio.
On Monday I do yoga at the gym.

2-Todos los días leo un libro y veo televisión.
I read a book and watch television every day.

3-Nunca voy a la ópera porque no me gusta.
I never go to the opera because I don't like it.

4-Dos veces por semana quedo con Marta y sus amigas.
Twice a week I meet with Marta and her friends.

5-A menudo como con mi familia en su casa.
I often have lunch with my family at their home.
