SPANISH PROPOSAL

We make your Spanish *perfecto*

→ Paso A Paso [SEQUENTIAL COURSES]

Progressive Spanish course using the prestigious European Framework of Reference of Languages [CEFT] and its 6 competence levels: beginners [A1,A1], intermediate [B1,B2], and advanced [C1,C2]; 100 hours/level.

We will help you make your *Spanish perfecto* in four communicative skills: listening, speaking, reading, and writing.

→ Específico [SPECIFIC INTEREST COURSES]

Accelerated, personalized option for specific purposes.

We have different programs to cover interests or specific goals and we can fit any Spanish lesson plan according to the needs and communicative competence of the student.

Many of our previous students have taken specific lessons for business trips, conferences, meetings, etc., and we emphasize different skills accordingly.

We will adapt our teaching and contents to fit the specific needs of the student.

Corporate Plan

→ OFERTA [Our Offer]

We have three course offerings for our corporate clients:

1. In-person courses in our offices
2. In-person courses in your company's premises
3. Virtual courses over Zoom

We've had great success teaching Spanish over your preferred medium and will accommodate depending on your company's needs and preferences.

→ OFERTA [Our Offer]

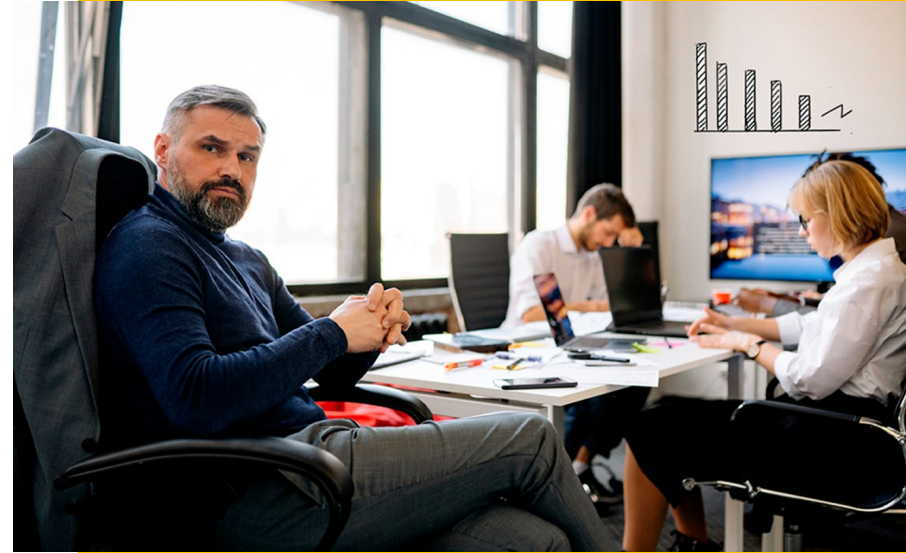

We offer the option of having:

1. Private, one-on-one courses
2. Group courses

We have private, one-on-one classes as well as group classes and will pair students based on their current level of Spanish, which we determine with our placement exam. *Spanish perfecto* provides this assessment free of charge. Group courses have an added discount for every corporate client.

FREE SESSION:

Let us show you how we can make your *Spanish perfecto* with a complementary class taught by one of our instructors.
