

VOCABULARY OF THE HUMAN BODY IN SPANISH

Although the human body contains a lot of vocabulary, there are parts that are more referred to in everyday communication.

Here is some useful vocabulary to start naming one of the most important parts of you: your body.

Say which of these parts are in the upper and lower part of the body:

la pierna, los dedos del pie, el tobillo, la boca, el pecho, la mano, el pie, las orejas, los ojos, la rodilla.

the leg, the toes, the ankle, the mouth, the chest, the hand, the foot, the ears, the eyes, the knee.

Upper part:

Bottom:
