

## SUMMER IN SPANISH

A season involves different actions during that period of time. Learning Spanish using specific contexts greatly aids in vocabulary memorization. In Spanish class, always remember to acquire vocabulary related to the current season you are in. For example, the following vocabulary is related to summer.

**Match up the activities with the nouns associated with them:**

Bañarse en  
To go for a swim in

vacaciones  
Vacation

Ponerse  
To put on

el mar  
the sea

Comerse  
To eat

la toalla  
a towel

Estar de  
To be on

crema solar  
Suncream

Tumbarse en  
To lie on

un helado  
an ice cream
